# Ordering Information

## Shipping Season

- SEED orders can be shipped throughout the year.
- BARE ROOT PLANT orders are shipped during optimal transplanting time. *Since our plants are field grown, Nature sets the schedule each year as to when our digging season will begin and end. Our Minnesota climate sometimes provides us with April or October snows and/or frozen ground, heavy rains, etc. We fill all orders to the best of our ability depending on conditions beyond our control.* In the SPRING, plants are normally shipped from April to mid May, with some species available until mid June. Best results can be expected, however, if transplanting is done in April. The FALL plant shipping season usually runs through the month of Oct. *Please note that we do not ship plants outside the contiguous United States.*
- POTTED PLANTS (Rain Garden / Butterfly Kits and 38 plant trays) ship late May to late July.

## Delivery

Our orders are shipped by USPS, UPS and Spee Dee. Since UPS and Spee Dee do not recognize Post Office Box numbers, it is important to include your street address or rural route number when you order. Normal UPS delivery takes 2 to 4 days within the continental United States.

## Shipping & Handling Charges

- For BARE ROOT PLANT ORDERS \$50.00 and under: \$7.50
- For BARE ROOT PLANT ORDERS over \$50.00 add 15% of the total plant cost
- For SEED ORDERS \$100.00 and under: \$5.00

- For SEED ORDERS over \$100.00 add 5% of the total seed cost
- POTTED PLANTS (trays): add \$13 per tray.
- Books, garden tags, and inoculum are postpaid (shipping fee included) within the contiguous US.

## Seed Shipments to Canada

We do not ship plants to Canada, but seeds are available to Canadian customers. **Please be aware that seeds are occasionally held up at customs. We are unable to track orders sent with the U.S. Post Office.** Prepayment in U.S. funds required. Postal shipping & handling charges for Canadian seed shipments are:

- For SEED ORDERS \$50.00 and under: \$15.00.
- For SEED ORDERS over \$50.00 add 30% of the total seed cost.

## Pick-up Orders

## Cancellations

A 25% cancellation fee will be charged on cancelled orders. Shipped plants and custom designed seed mixes are non-returnable. A 25% restocking fee will be charged on other seed that is returned. After 30 days we cannot accept returned seed.
