### SHIPPING SEASON

**SEED:** Orders can be shipped throughout the year.

**POTTED PLANTS:** 3-packs and Trays of 38 ship when all plants are well-rooted and transit-ready, early-May through June. We provide shipping updates via email.

**BARE ROOT PLANTS:** Orders are shipped during optimal transplanting time: April/May & October. Since our plants are field-grown, nature sets the schedule each year as to when our digging season will begin and end. We fill all orders on a first-come, first-served basis, to the best of our ability depending on weather conditions beyond our control. We provide shipping updates via email.

\*We cannot ship plants outside the contiguous United States or to California.
