RETAIL RACK WHOLESALE AGREEMENT:

- * Your business or organization must be a public venue where Prairie Moon Nursery can receive return exposure (i.e., Garden Center, Co-op, Gift Shop, etc.).
- * November will mark the beginning of a new harvest, meaning packets will be marked with the preceding calendar year.
- * We charge a shipping fee for your 1st order of the year. Refill orders receive free shipping throughout the year (January - end of October).
- * Packets can be priced to your specifications, but we ask you do not price lower than our retail prices.
- * Seed Packets are labeled for the current year & cannot be returned.
- * Seeds must remain in our packaging.
- * To help your customers understand native seed germination techniques, we can provide our Seed Starting pamphlets free of charge.
- * Seed racks are not provided, but we hope to have some available for rent in the future.

Please send us a photo of your Prairie Moon Nursery seed rack display or tag us on:
